Refund Policy:

Yearbook purchases may be refunded by March 5th of the current school year. Once books are distributed, sales are final. Refunds will not be granted based on content or coverage. Irregular books (i.e. upside down binding, offset print, etc.) may be exchanged for a correct copy as long as supplies are available. Refund requests result in the surrender of the book.

While the ECHO staff works hard all year to produce a quality yearbook that reflects events and occasions of record, it is still a student-produced publication. We strive for perfection, but mistakes are inevitable. Possible mistakes include, but are not limited to: misspelled names, type-o's, missing photos etc. We will not refund money for pages printed with these types of mistakes. Yearbook policies are located on the Benjamin Russell High School website.
